

1-1/2" NPT

The diagram shows a vertical pipe with threaded ends. The top and bottom sections are labeled '1-1/2" NPT'. The main body of the pipe is labeled with '1-55/64" OD', '4.7 cm', and '1/8" typical wall'. On the left side, two vertical dimension lines indicate a length of '4-3/4"' and '12.1 cm'. The pipe has a smooth section in the middle with two small vertical indentations or grooves.
